LOTTERY OFFERS DISCOUNT FOR HOLIDAY SHOPPERS

Bismarck – This holiday season, shoppers can save up to ten percent when purchasing a subscription to play the Lottery – a first time offer available only through the Holiday Season.

Shoppers may subscribe as a gift for friends and family, or players can subscribe for themselves to receive the holiday discount. With a Lottery Subscription, players are automatically entered into every draw for the length of the subscription and never miss a chance to play and win.

“Based on the growing popularity of e-commerce, the Lottery created an on-line subscription service, which allows players to apply for subscriptions by use of a debit or credit card,” said Lottery Director Chuck Keller. “The service is popular for players who can’t always get out to buy a ticket, and for those who never want to miss a draw.”

Subscribe on-line at www.lottery.nd.gov, or by downloading a subscription application and mailing it to the Lottery, or by calling the Lottery toll free at 1-877-635-6886. Players can choose to play one or more of all four Lottery games for 13, 26 or 52 weeks. Prizes of \$5 or less automatically extend the subscription drawings for the amount won. If a prize of more than \$5 is won, the Lottery will mail a check to the player.

Subscription players must be at least 18 years of age and must have a North Dakota mailing address. The subscription discount is available only through December 31, 2007. For more information, visit the Lottery’s website www.lottery.nd.gov.
