### **LOTTERY ANNOUNCES NEW 2BY2 GAME FEATURES**

North Dakota Lottery players soon will be able to enjoy a new and improved lottery game. On Friday, February 22 the Lottery is adding three new features to its 2by2 game. "The Lottery continually strives to freshen the games and add value for players," said Lottery Director Chuck Keller.

Two of the features include increasing the jackpot from \$20,000, to \$22,000 and giving players the option to play every day of the week. A third feature – the Tuesday Double Prize feature – gives players the option to double all prizes won on Tuesdays with the purchase of a seven-day multi-draw ticket.

"2by2 is still the same game and same cost per play, but with more entertainment value," said Keller.

For more information contact the Lottery at (701) 328-1574 or online at [www.lottery.nd.gov](http://www.lottery.nd.gov).
