WILD CARD TICKET WORTH OVER \$1.6 MILLION

The North Dakota Lottery announces today that a Grafton retailer sold a winning WILD CARD 2 jackpot ticket worth \$1,648,155 for the Wednesday, November 25 drawing.

At this time, the ticket is still unclaimed. Although players have 180 days to claim a winning ticket, the Lottery encourages players to act promptly and check tickets for winners. The winning numbers from Wednesday night's Wild Card 2 drawing are: 2, 6, 7, 20 and 29 and the Wild Card is the Jack of Spades. To win the jackpot a player must match all five numbers and the Wild Card. Tickets can be checked by visiting a participating Lottery retailer, or by visiting the Lottery's website at www.lottery.nd.gov, or by calling the winning numbers line at 701-328-1111.

This is the ninth time the Wild Card 2 jackpot has been won in North Dakota and is also the largest jackpot won by any North Dakota Lottery player. The game is played in North Dakota, South Dakota, Montana and Idaho.
